Case Management Update: What are the implications of the ADA in case management practice? Kalina, C.M., Haag, A.B., & Tourigian, R. 50(4), 158-160.

Legal Issues: Supreme Court update—Toyota Motor Manufacturing v. Williams. D'Arruda, K.A. 50(5), 210-212.

ASSESSMENT

Express Speak: Tips for face to face interviewing. Sitzman, K. 50(12), 576.

BEHAVIORAL HEALTH ISSUES

Are we keeping pace with the new industrial revolution. Ashby, E. 50(6), 250-252.

Work–life balance in an industrial setting: Focus on advocacy. Dow-Clarke, R.A. 50(2), 67-74.

You've probably got guys like this in your shop. So you should know...Why people worry at work. Felton, J.S. 50(3), 105-108.

BENCHMARKING

Outsourcing occupational health services: Critical elements. Dyck, D. 50(2), 83-93.

BIOTERRORISM

Anthrax attack at the United States capitol: Front line thoughts. Anderson, A., & Eisold, J.F. 50(4), 170-173.

Express Speak: Early detection of smallpox. Sitzman, K. 50(9), 428.

Guest Editorial: Preparing for crisis—Occupational health nurses respond. Salazar, M.K. 50(4), 161.

Interview: Terrorism—Insights from the front line. Lukes, E. 50(4), 162-164.

Planning for biological disasters—Occupational health nurses as "first responders." Salazar, M.K., & Kelman, B. 50(4), 174-181.

Psychosocial responses to biological and chemical terrorist threats and events: Implications for the workplace. Beaton, R., & Murphy, S. 50(4), 182-189.

Tularemia: A pathogen in nature and a biological weapon. Altman, G.B. 50(8), 373-377.

BREASTFEEDING IN THE WORKPLACE

Challenges of the working breastfeeding mother: Workplace solutions. Wyatt, S.N. 50(2), 61-66.

BREAST HEALTH

Breast health educational interventions: Changes in beliefs and practices of working women. Thomas, B., Stamler, L.L., Lafrieniere, K.D., & Delahunt, T.D. 50(10), 460-467.

CANCER

Cancer survivors: Work related issues. Schultz, P.N., Beck, M.L., Stava, C., & Sellin, R.V. 50(5), 220-226.

CARDIOVASCULAR HEALTH

Guest Editorial: Cardiovascular health—A workplace priority. Richlin, D. 50(8), 353.

Lucent-Takes-Heart cardiovascular health management program: Successful workplace screening, The. Guico-Pabia, C.J., Cioffi, L., & Shoner, L.G. 50(8), 365-372.

Stroke: Risks, recognition, and return to work. Zerwic, J.J., Ennen, K., & DeVon, H.A. 50(8), 354-359.

Update on managing hypercholesterolemia: The new NECP guidelines. Kuhar, M.B. 50(8), 360-364.

Women and cardiovascular disease: Clinical brief. Cash-Smith, S. 50(10), 443-448.

CARPAL TUNNEL SYNDROME

Legal Issues: Supreme Court Update—Toyota Motor Manufacturing v. Williams. D'Arruda, K.A. 50(5), 210-212.

CASE MANAGEMENT

Clinical Rounds: Case Management Update: What are restricted duty, light duty, and transitional duty, and the implications of each for case management practice? Haag, A.B., Kalina, C.M., Tourigian, R., & Wassel, M.L. 50(10), 437-440.

Case Management Update: What are the implications of the ADA in case management practice? Kalina, C.M., Haag, A.B., & Tourigian, R. 50(4), 158-160.

Case management update: What is the difference between absence tracking and case management? Kalina, C.M., Haag, A.B., Tourigian, R., & Wassel, M.L. 50(7), 299-300.

Improving return to work outcomes: Formalizing the process. Wassel, M.L. 50(6), 275-285.

CASE STUDY

Express Speak: Case study methods for occupational health inquiry. Sitzman, K. 50(11), 528.

CEREBROVASCULAR ACCIDENT

Stroke: Risks, recognition, and return to work. Zerwic, J.J., Ennen, K., & DeVon, H.A. 50(8), 354-359.

CERTIFICATION

Defining the roles and functions of occupational and environmental health nurses: Results of a national job analysis.

Salazar, M.K., Kemerer, S., Amann, M.C., & Fabrey, L.J. 50(1), 16-25.

CHICKEN POX

Express Speak: Early detection of smallpox. Sitzman, K. 50(9), 428.

CLINICAL PRACTICE

Clinical Rounds: Hospital Link: Latent TB management—A clinical update. DesRoches, P. 50(12), 546-548.

Clinical Rounds: NP Link: Obstructive sleep apnea. Corbridge, S.J. 50(11), 494-495.

Complementary and alternative therapies in occupational health: Part one. Bascom, A. 50(9), 418-425.

Employees on continued medication: Identification and discussion of problems with employees, continuing on medication, as noted on the occupational health scene. Bodnar, E.M. 50(8), 345-348.

Guest Editorial: Cardiovascular health—A workplace priority. Richlin, D. 50(8), 353.

Informatics: Using the national guideline clearinghouse. DiBenedetto, D.V. 50(3), 109-110.

Predictors of influenza vaccine: Acceptance among healthy adult workers. Blue, C.L., & Valley, J.M. 50(5), 227-233.

Stroke: Risks, recognition, and return to work. Zerwic, J.J., Ennen, K., & DeVon, H.A. 50(8), 354-359.

Survey of the health experiences of international business travelers: Part one—Physiological aspects, A. Rogers, H.L., & Reilly, S.M. 50(10), 449-459.

Update on managing hypercholesterolemia: The new NECP guidelines. Kuhar, M.B. 50(8), 360-364.

Women and cardiovascular disease: Clinical brief. Cash-Smith, S. 50(10), 443-448.

COMMUNICATION

Express Speak: Effective questioning during one to one teaching. Sitzman, K. 50(3), 144.

Improving employee communication in the clinical setting: A nurse's perspective. Zimmermann, P.G. 50(11), 515-519.

Using financial metrics to prove and communicate value to management: Occupational health nurses as key players on the management team. Gregory, J.W., Lukes, E., & Gregory, C.A. 50(9), 400-405.

COMPLEMENTARY AND ALTERNATIVE HEALTH CARE

Complementary and alternative therapies in occupational health: Part one. Bascom, A. 50(9), 418-425.

Complementary and alternative therapies in occupational health: Part II—Specific therapies. Bascom, A. 50(10), 468-477.

Wellness for welders: Prevention strategies. Walz, J.A., & Wehse, K.L. 50(7), 303-306.

CONFIDENTIALITY

Legal Issues: HIPAA update—Administrative simplification and national standards. D'Arruda, K. 50(11), 496-498.

CONSULTING

Internal and external consulting: Assisting clients with managing work, health, and psychosocial issues. Dyck, D. 50(3), 111-119.

CONTRACTING PROCESS

Business law: Fundamentals for the occupational health nurse. D'Arruda, K.A. 50(5), 234-241.

COST EFFECTIVENESS

Clinical Rounds: Hospital Link: Hepatitis C—The continuing debate. DesRoches, P. 50(9), 392-393.

Implementing a resident lifting system in an extended care hospital: Demonstrating cost–benefit. Spiegel, J., Yassi, A., Ronald, L.A., Tate, R.B., Hacking, P., & Colby T. 50(3), 128-134.

Linking Practice & Research: The business case for mental health services. Lusk, S.L. 50(9), 394-396.

Research & Ethics Corner: Health care costs and quality—A balance. Rogers, B. 50(10), 441-442.

CRISIS MANAGEMENT

Anthrax attack at the United States capitol: Front line thoughts. Anderson, A., & Eisold, J.F. 50(4), 170-173.

Guest Editorial: Preparing for crisis—Occupational health nurses respond. Salazar, M.K. 50(4), 161.

Interview: Terrorism—Insights from the front line. Lukes, E. 50(4), 162-164.

CUSTOMER SATISFACTION

Improving employee communication in the clinical setting: A nurse's perspective. Zimmermann, P.G. 50(11), 515-519.

DATA COLLECTION

Express Speak: Pre-testing questionnaires improves results. Sitzman, K. 50(10), 480.

Express Speak: Tips for face to face interviewing. Sitzman, K. 50(12), 576.

DEPRESSION

Linking Practice & Research: The business case for mental health services. Lusk, S.L. 50(9), 394-396.

DISASTER PLANNING

Occupational response to terrorism. Cangemi, C.W. 50(4), 190-196.

Planning for biological disasters—Occupational health nurses as "first responders." Salazar, M.K., & Kelman, B. 50(4), 174-181.

DOCUMENTATION

Complying with changes in OSHA's recordkeeping requirements: An overview. Klamert, P.C. 50(7), 324-333.

DOMESTIC VIOLENCE

Workplace homicides in Chicago: Risk factors from 1965 to 1990. Hewitt, J.B., Levin, P.F., & Misner, S.T. 50(9), 406-412.

EFFECTIVE QUESTIONING

Express Speak: Effective questioning during one to one teaching. Sitzman, K. 50(3), 144.

EMPOWERMENT

Express Speak: Group wellness in the workplace. Sitzman, K. 50(4), 200.

ENVIRONMENTAL HEALTH

Anthrax attack at the United States capitol: Front line thoughts. Anderson, A., & Eisold, J.F. 50(4), 170-173.

Express Speak: Early detection of smallpox. Sitzman, K. 50(9), 428.

Guest Editorial: Preparing for crisis—Occupational health nurses respond. Salazar, M.K. 50(4), 161.

Occupational response to terrorism. Cangemi, C.W. 50(4), 190-196.

Planning for biological disasters—Occupational health nurses as "first responders." Salazar, M.K., & Kelman, B. 50(4), 174-181.

Psychosocial responses to biological and chemical terrorist threats and events: Implications for the workplace. Beaton, R., & Murphy, S. 50(4), 182-189.

Radiation safety training: Success-

ful program. Buckley, H. 50(9), 413-417.

Tularemia: A pathogen in nature and a biological weapon. Altman, G.B. 50(8), 373-377.

Wellness for welders: Prevention strategies. Walz, J.A., & Wehse, K.L. 50(7), 303-306.

ERGONOMICS

Office workers and video display terminals: Physical, psychological and ergonomic factors. Travers, P.H., & Stanton, B-A. 50(11), 489-493.

ETHICS

Research & Ethics Corner: Health care costs and quality—A balance. Rogers, B. 50(10), 441-442.

Research & Ethics Corner: Honesty and ethics in the professions—Gallup poll results. Rogers, B. 50(4), 167-169.

Resolving ethical dilemmas: Applying the Institute for Global Ethics' Ethical Fitness™ Model to occupational and environmental health practice issues. Edgar, P.H. 50(1), 40-45.

EVALUATION

Express Speak: Pre-testing questionnaires improves results. Sitzman, K. 50(10), 480.

EVIDENCE BASED PROTOCOL

Informatics: Using the national guideline clearinghouse. DiBenedetto, D.V. 50(3), 109-110.

EXPERT WITNESS

Business law: Fundamentals for the occupational health nurse. D'Arruda, K.A. 50(5), 234-241.

EYE INJURIES

Linking Practice & Research: Preventing work related eye injuries. Lusk, S.L. 50(6), 253-254.

FACE PROGRAM

Preventing young worker fatalities: The fatality assessment and control evaluation (FACE) program. Higgins, D.N., Tierney, J., & Hanrahan, L. 50(11), 508-514.

FAMILY HEALTH

Challenges of the working breastfeeding mother: Workplace solutions. Wyatt, S.N. 50(2), 61-66.

Work–life balance in an industrial setting: Focus on advocacy. Dow-Clarke, R.A. 50(2), 67-74.

GROUP WELLNESS

Express Speak: Group wellness in the workplace. Sitzman, K. 50(4), 200.

HEALTH BELIEF MODEL

Predictors of influenza vaccine: Acceptance among healthy adult workers. Blue, C.L., & Valley, J.M. 50(5), 227-233.

HEALTH EDUCATION

Express Speak: Does anyone read the fine print? Sitzman, K. 50(5), 244.

HEALTH PROMOTION

Are we keeping pace with the new industrial revolution. Ashby, E. 50(6), 250-252.

Breast health educational interventions: Changes in beliefs and practices of working women. Thomas, B., Stamler, L.L., Lafrieniere, K.D., & Delahunt, T.D. 50(10), 460-467.

Clinical Rounds: NP Link: Obstructive sleep apnea. Corbridge, S.J. 50(11), 494-495.

Complementary and alternative therapies in occupational health: Part II—Specific therapies. Bascom, A. 50(10), 468-477.

Express Speak: Creative worrying. Sitzman, K. 50(1), 48.

Express Speak: Does anyone read the fine print? Sitzman, K. 50(5), 244.

Express Speak: Group wellness in the workplace. Sitzman, K. 50(4), 200.

Express Speak: Tips for shiftworkers. Sitzman, K. 50(2), 96.

How to motivate good worker attendance. Schmidt, M.D. 50(2), 57-60.

Lucent-Takes-Heart cardiovascular health management program: Successful workplace screening, The. Guico-Pabia, C.J., Cioffi, L., & Shoner, L.G. 50(8), 365-372.

Physical activity determinants in adults: Perceived benefits, barriers, and self efficacy. Stutts, W.C. 50(11), 499-507.

Predictors of influenza vaccine: Acceptance among healthy adult workers. Blue, C.L., & Valley, J.M. 50(5), 227-233.

UAW-GM health promotion program: Successful outcomes, The. Edington, D.W. 50(1), 26-31.

Update on management hypercholesterolemia: The new NCEP guidelines. Kuhar, M.B. 50(8), 360-364.

Wellness for welders: Prevention strategies. Walz, J.A., & Wehse, K.L. 50(7), 303-306.

Work–life balance in an industrial setting: Focus on advocacy. Dow-Clarke, R.A. 50(2), 67-74.

HEPATITIS C

Clinical Rounds: Hospital Link: Hepatitis C—The continuing debate. DesRoches, P. 50(9), 392-393.

HIPAA

Informatics: Key HIPAA websites and Internet resources. DiBenedetto, D.V. 50(9), 397-399.

Legal Issues: HIPAA update—Administrative simplification and national standards. D'Arruda, K. 50(11), 496-498.

HISTORICAL PERSPECTIVES

Are we keeping pace with the new industrial revolution. Ashby, E. 50(6), 250-252.

Century of practice: Occupational health nursing, A. Parker-Conrad, J.E. 50(12), 537.

Employees on continued medication: Identification and discussion of problems with employees, continuing on medication, as noted on the occupational health scene. Bodnar, E.M. 50(8), 345-348.

Headquarters: How we started and how we grew. Merrihue, G., & Casey, E. 50(4), 153-156.

In Memorium: Gertrude Stewart, AAIN president from 1957 to 1959. Lukes, E. 50(8), 349-350.

Looking back 50 years…The nurse in industry. Mattingly, S.T. 50(7), 295-296.

Office workers and video display terminals: Physical, psychological and ergonomic factors. Travers, P.H., & Stanton, B-A. 50(11), 489-493.

Recruit another nurse: Opportunities offered in the occupational health field. Leamons, E.P. 50(9), 389-391.

HOME HEALTH CARE

Exploratory study of motor vehicle use in home visiting nurses, An. Sitzman, K.L., Pett, M.A., & Bloswick, D.S. 50(12), 553-558.

HOMICIDE RISK FACTORS

Workplace homicides in Chicago: Risk factors from 1965 to 1990. Hewitt, J.B., Levin, P.F., & Misner, S.T. 50(9), 406-412.

HOSPITAL OCCUPATIONAL HEALTH

Clinical Rounds: Hospital Link: Hepatitis C—The continuing debate. DesRoches, P. 50(9), 392-393.

Clinical Rounds: Hospital Link: Latent TB management—A clinical update. DesRoches, P. 50(12), 546-548.

HYPERCHOLESTEROLEMIA

Update on managing hypercholesterolemia: The new NECP guidelines. Kuhar, M.B. 50(8), 360-364.

IMMUNIZATIONS

Express Speak: Early detection of smallpox. Sitzman, K. 50(9), 428.

Predictors of influenza vaccine: Acceptance among healthy adult workers. Blue, C.L., & Valley, J.M. 50(5), 227-233.

INDEPENDENT MEDICAL EVALUATIONS

Management File: Managing employee health problems—Optimal use of independent medical evaluations. Knoblauch, D.J. 50(12), 549-552.

INFECTIOUS DISEASES

Tularemia: A pathogen in nature and a biological weapon. Altman, G.B. 50(8), 373-377.

INFORMATICS

Informatics: Human resources information on the web. DiBenedetto, D.V. 50(6), 255-256.

Informatics: Key HIPAA websites and Internet resources. DiBenedetto, D.V. 50(9), 397-399.

INJURY PREVENTION

Clinical Rounds: NP Link: Obstructive sleep apnea. Corbridge, S.J. 50(11), 494-495.

Effectiveness of installing overhead ceiling lifts: Reducing musculoskeletal injuries in an extended care hospital unit. Ronald, L.A., Yassi, A., Spiegel, J., Tate, R.B., Tait, D., & Mozel, M.R. 50(3), 120-127.

Exploratory study of motor vehicle use in home visiting nurses, An. Sitzman, K.L., Pett, M.A., & Bloswick, D.S. 50(12), 553-558.

Health hazards and preventive measures of farm women: Emerging issues. Meeker, B.J., Carruth, A., & Holland, C.B. 50(7), 307-314.

Implementing a resident lifting system in an extended care hospital: Demonstrating cost–benefit. Spiegel, J., Yassi, A., Ronald, L.A., Tate, R.B., Hacking, P., & Colby T. 50(3), 128-134.

Linking Practice & Research: Preventing work related eye injuries. Lusk, S.L. 50(6), 253-254.

Post offer screening. Scott, L.R. 50(12), 559-563.

Preventing young worker fatalities: The fatality assessment and control evaluation (FACE) program. Higgins, D.N., Tierney, J., & Hanrahan, L. 50(11), 508-514.

Primary prevention of agricultural injuries: Use of standardized nursing diagnosis, interventions, and outcomes. Winters, J. 50(6), 271-274.

INSPECTION INFORMATION

Express Speak: Inspection tips. Sitzman, K. 50(8), 380.

INTERNATIONAL HEALTH

A survey of the health experiences of international business travelers: Part one—Physiological aspects. Rogers, H.L., & Reilly, S.M. 50(10), 449-459.

INTERVIEW

In Memorium: Gertrude Stewart, AAIN president from 1957 to 1959. Lukes, E. 50(8), 349-350.

Toward a model for effectiveness: What Alberta occupational health nurses think. Skillen, D.L., Anderson, M.C., Seglie, J., & Gilbert, J. 50(2), 75-82.

OCCUPATIONAL HEALTH NURSING ROLES

Century of practice: Occupational health nursing, A. Parker-Conrad, J.E. 50(12), 537.

Complementary and alternative therapies in occupational health: Part one. Bascom, A. 50(9), 418-425.

Challenge and scope of occupational health nursing, The. Greenhill, S. 50(5), 207-208.

Defining the roles and functions of occupational and environmental health nurses: Results of a national job analysis. Salazar, M.K., Kemerer, S., Amann, M.C., & Fabrey, L.J. 50(1), 16-25.

Internal and external consulting: Assisting clients with managing work, health, and psychosocial issues. Dyck, D. 50(3), 111-119.

Management File: Managing during times of uncertainty part I—Short term strategies. Strasser, P.B. 50(4), 165-166.

Recruit another nurse: Opportunities offered in the occupational health field. Leamons, E.P. 50(9), 389-391.

Research & Ethics Corner: Honesty and ethics in the professions—Gallup poll results. Rogers, B. 50(4), 167-169.

Specifications for an industrial nursing job. Mayne, M. 50(1), 13-15.

Taking charge of yourself. Rancour, P. 50(10), 433-435.

Toward a model for effectiveness: What Alberta occupational health nurses think. Skillen, D.L., Anderson, M.C., Seglie, J., & Gilbert, J. 50(2), 75-82.

ORGANIZATIONAL MANAGEMENT

Management File: Managing during times of uncertainty part II—Long term strategies. Strasser, P.B. 50(8), 351-352.

Organizational stressors and health: How occupational health nurses can help break the cycle. Dyck, D., & Roithmayr, T. (50)5, 213-219.

OSHA

Complying with changes in OSHA's recordkeeping requirements: An overview. Klamert, P.C. 50(7), 324-333.

Express Speak: Inspection tips. Sitzman, K. 50(8), 380.

Interview: Jim Maddux—An author of OSHA's new recordkeeping rule. Lukes, E. 50(7), 297-298.

OUTSOURCING

Outsourcing occupational health services: Critical elements. Dyck, D. 50(2), 83-93.

PHYSICAL ACTIVITY

Physical activity determinants in adults: Perceived benefits, barriers, and self efficacy. Stutts, W.C. 50(11), 499-507.

PRIVACY

Informatics: Key HIPAA websites and internet resources. DiBenedetto, D.V. 50(9), 397-399.

Legal Issues: HIPAA update—Administrative simplification and national standards. D'Arruda, K. 50(11), 496-498.

PROFESSIONAL DEVELOPMENT

Applying research to practice: Practical guidelines for occupational health nurses. Salazar, M.K. 50(11), 520-525.

Challenge and scope of occupational health nursing, The. Greenhill, S. 50(5), 207-208.

Headquarters: How we started and how we grew. Merrihue, G., & Casey, E. 50(4), 153-156.

Improving employee communication in the clinical setting: A nurse's perspective. Zimmermann, P.G. 50(11), 515-519.

Internal and external consulting: Assisting clients with managing work, health, and psychosocial issues. Dyck, D. 50(3), 111-119.

Mentoring: Career enhancement for occupational and environmental health nurses. Short, J.D. 50(3), 135-141.

Occupational health nursing program: Relevance to nurses in nonoccupational practice settings, An. Hodge, B.D., Ackerman, S., Evans, C., Erb, T., & Cook, M.W. 50(6), 257-261.

Occupational health nursing research: An overview from January 1990 to December 1999. Smith, P.S., & Lusk, S.L. 50(7), 315-323.

Recruit another nurse: Opportunities offered in the occupational health field. Leamons, E.P. 50(9), 389-391.

Resolving ethical dilemmas: Applying the Institute for Global Ethics' Ethical Fitness™ Model to occupational and environmental health practice issues. Edgar, P.H. 50(1), 40-45.

Taking charge of yourself. Rancour, P. 50(10), 433-435.

Toward a model for effectiveness: What Alberta occupational health nurses think. Skillen, D.L., Anderson, M.C., Seglie, J., & Gilbert, J. 50(2), 75-82.

Using financial metrics to prove and communicate value to management: Occupational health nurses as key players on the management team. Gregory, J.W., Lukes, E., & Gregory, C.A. 50(9), 400-405.

PROGRAM DEVELOPMENT

Radiation safety training: Successful program. Buckley, H. 50(9), 413-417.

UAW-GM health promotion program: Successful outcomes, The. Edington, D.W. 50(1), 26-31.

PROGRAM EVALUATION

Effectiveness of installing overhead ceiling lifts: Reducing musculoskeletal injuries in an extended care hospital unit. Ronald, L.A., Yassi, A., Spiegel, J., Tate, R.B., Tait, D., & Mozel, M.R. 50(3), 120-127.

Implementing a resident lifting system in an extended care hospital: Demonstrating cost–benefit. Spiegel, J., Yassi, A., Ronald, L.A., Tate, R.B., Hacking, P., & Colby T. 50(3), 128-134.

Lucent-Takes-Heart cardiovascular health management program: Successful workplace screening, The. Guico-Pabia, C.J., Cioffi, L., & Shoner, L.G. 50(8), 365-372.

Occupational health nursing program: Relevance to nurses in nonoccupational practice settings, An. Hodge, B.D., Ackerman, S., Evans, C., Erb, T., & Cook, M.W. 50(6), 257-261.

UAW-GM health promotion program: Successful outcomes, The. Edington, D.W. 50(1), 26-31.

QUALITY IMPROVEMENT

Research & Ethics Corner: Health care costs and quality—A balance. Rogers, B. 50(10), 441-442.

QUALITY OF LIFE

Cancer survivors: Work related issues. Schultz, P.N., Beck, M.L., Stava, C., & Sellin, R.V. 50(5), 220-226.

RADIATION SAFETY TRAINING

Radiation safety training: Successful program. Buckley, H. 50(9), 413-417.

READING TIPS

Express Speak: Does anyone read the fine print? Sitzman, K. 50(5), 244.

RECORDKEEPING

Complying with changes in OSHA's recordkeeping requirements: An overview. Klamert, P.C. 50(7), 324-333.

Interview: Jim Maddux—An author of OSHA's new recordkeeping rule. Lukes, E. 50(7), 297-298.

REGULATORY ISSUES

Complying with changes in OSHA's recordkeeping requirements: An overview. Klamert, P.C. 50(7), 324-333.

Express Speak: Inspection tips. Sitzman, K. 50(8), 380.

Interview: Jim Maddux—An author of OSHA's new recordkeeping rule. Lukes, E. 50(7), 297-298.

RESEARCH

Applying research to practice: Practical guidelines for occupational health nurses. Salazar, M.K. 50(11), 520-525.

Express Speak: Case study methods for occupational health inquiry. Sitzman, K. 50(11), 528.

Express Speak: Pre-testing questionnaires improves results. Sitzman, K. 50(10), 480.

Occupational health nursing research: An overview from January 1990 to December 1999. Smith, P.S., & Lusk, S.L. 50(7), 315-323.

Research & Ethics Corner: National occupational research agenda—Revisited. Rogers, B. 50(7), 301-302.

RESOURCE INFORMATION

Informatics: Human resources information on the web. DiBenedetto, D.V. 50(6), 255-256.

RETURN TO WORK

Clinical Rounds: Case Management Update: What are restricted duty, light duty, and transitional duty, and the implications of each for case management practice? Haag, A.B., Kalina, C.M., Tourigian, R., & Wassel, M.L. 50(10), 437-440.

Case Management Update: What are the implications of the ADA in case management practice? Kalina, C.M., Haag, A.B., & Tourigian, R. 50(4), 158-160.

Case management update: What is the difference between absence tracking and case management? Kalina, C.M., Haag, A.B., Tourigian, R., & Wassel, M.L. 50(7), 299-300.

Improving return to work outcomes: Formalizing the process. Wassel, M.L. 50(6), 275-285.

SAFETY

Effectiveness of installing overhead ceiling lifts: Reducing musculoskeletal injuries in an extended care hospital unit. Ronald, L.A., Yassi, A., Spiegel, J., Tate, R.B., Tait, D., & Mozel, M.R. 50(3), 120-127.

Exploratory study of motor vehicle use in home visiting nurses, An. Sitzman,

K.L., Pett, M.A., & Bloswick, D.S. 50(12), 553-558.

Health hazards and preventive measures of farm women: Emerging issues. Meeker, B.J., Carruth, A., & Holland, C.B. 50(7), 307-314.

Implementing a resident lifting system in an extended care hospital: Demonstrating cost–benefit. Spiegel, J., Yassi, A., Ronald, L.A., Tate, R.B., Hacking, P., & Colby T. 50(3), 128-134.

Linking Practice & Research: Effectiveness of risk communication. Lusk, S.L., & Raymond, III, D.M. 50(12), 543-545.

Linking Practice & Research: Preventing work related eye injuries. Lusk, S.L. 50(6), 253-254.

Planning for biological disasters—Occupational health nurses as "first responders." Salazar, M.K., & Kelman, B. 50(4), 174-181.

Post offer screening. Scott, L.R. 50(12), 559-563.

Preventing young worker fatalities: The fatality assessment and control evaluation (FACE) program. Higgins, D.N., Tierney, J., & Hanrahan, L. 50(11), 508-514.

SCREENING

Clinical Rounds: Hospital Link: Hepatitis C—The continuing debate. DesRoches, P. 50(9), 392-393.

Post offer screening. Scott, L.R. 50(12), 559-563.

SELF CARE

Complementary and alternative therapies in occupational health: Part II—Specific therapies. Bascom, A. 50(10), 468-477.

SHIFTWORK

Express Speak: Tips for shiftworkers. Sitzman, K. 50(2), 96.

SLEEP APNEA

Clinical Rounds: NP Link: Obstructive sleep apnea. Corbridge, S.J. 50(11), 494-495.

SMALLPOX

Express Speak: Early detection of smallpox. Sitzman, K. 50(9), 428.

STRATEGIC PLANNING

Management File: Managing during times of uncertainty part II—Long term strategies. Strasser, P.B. 50(8), 351-352.

STRESS MANAGEMENT

Express Speak: Creative worrying. Sitzman, K. 50(1), 48.

Organizational stressors and health: How occupational health nurses can help break the cycle. Dyck, D., & Roithmayr, T. (50)5, 213-219.

You've probably got guys like this in your shop. So you should know...Why people worry at work. Felton, J.S. 50(3), 105-108.

STROKE

Stroke: Risks, recognition, and return to work. Zerwic, J.J., Ennen, K., & DeVon, H.A. 50(8), 354-359.

TEACHING/LEARNING

Express Speak: An approach for effective group teaching. Sitzman, K. 50(6), 288.

Express Speak: Effective questioning during one to one teaching. Sitzman, K. 50(3), 144.

Express speak: Health and safety teaching for adolescent workers. Sitzman, K. 50(7), 336.

Radiation safety training: Successful program. Buckley, H. 50(9), 413-417.

TERRORISM

Guest Editorial: Preparing for crisis—Occupational health nurses respond. Salazar, M.K. 50(4), 161.

Interview: Terrorism—Insights from the front line. Lukes, E. 50(4), 162-164.

Occupational response to terrorism. Cangemi, C.W. 50(4), 190-196.

TRAINING

Express Speak: An approach for effective group teaching. Sitzman, K. 50(6), 288.

Express speak: Health and safety teaching for adolescent workers. Sitzman, K. 50(7), 336.

Linking Practice & Research: Effectiveness of risk communication. Lusk, S.L., & Raymond, III, D.M. 50(12), 543-545.

TRAVEL HEALTH

A survey of the health experiences of international business travelers: Part one—Physiological aspects. Rogers, H.L., & Reilly, S.M. 50(10), 449-459.

TUBERCULOSIS

Clinical Rounds: Hospital Link: Latent TB management—A clinical update. DesRoches, P. 50(12), 546-548.

VENDOR SELECTION

Outsourcing occupational health services: Critical elements. Dyck, D. 50(2), 83-93.

VIDEO DISPLAY TERMINALS

Office workers and video display terminals: Physical, psychological and ergonomic factors. Travers, P.H., & Stanton, B-A. 50(11), 489-493.

WELLNESS

Physical activity determinants in adults: Perceived benefits, barriers, and self efficacy. Stutts, W.C. 50(11), 499-507.

WOMEN'S HEALTH

Breast health educational interventions: Changes in beliefs and practices of working women. Thomas, B., Stamler, L.L., Lafrieniere, K.D., & Delahunt, T.D. 50(10), 460-467.

Challenges of the working breastfeeding mother: Workplace solutions. Wyatt, S.N. 50(2), 61-66.

Health hazards and preventive measures of farm women: Emerging issues. Meeker, B.J., Carruth, A., & Holland, C.B. 50(7), 307-314.

Women and cardiovascular disease: Clinical brief. Cash-Smith, S. 50(10), 443-448.

WORKPLACE VIOLENCE

Workplace homicides in Chicago: Risk factors from 1965 to 1990. Hewitt, J.B., Levin, P.F., & Misner, S.T. 50(9), 406-412.

WORKERS' COMPENSATION

Certified occupational health nurse specialists practicing as nurse practitioners: Administrative practices in the California workers' compensation system. Burgel, B. 50(6), 262-270.

YOUNG WORKERS

Express speak: Health and safety teaching for adolescent workers. Sitzman, K. 50(7), 336.

Preventing young worker fatalities: The fatality assessment and control evaluation (FACE) program. Higgins, D.N., Tierney, J., & Hanrahan, L. 50 (11), 508-514.
